IMPORTANT SAFETY INSTRUCTIONS

BEFORE USING THIS LIGHT
READ ALL INSTRUCTIONS AND
CAUTIONARY MARKINGS IN
THE USER MANUAL AND ON
THE LIGHT.

When using an electrical
appliance, basic precautions
should always be followed,
including the following:

WARNING

These warnings apply to the
light, and also where applicable
to chargers or mains adaptors.

To reduce the risk of fire, electric
shock, or injury:

THIS LIGHT CONTAINS MAGNETS

1. Pacemakers and defibrillators
may be affected by strong
magnetic fields. If you or

- someone in your household has a pacemaker or defibrillator, avoid placing near to the device.
2. Credit cards and electronic storage media may also be affected by magnets and should be kept away from the light.
 3. This Dyson light can be used by persons with reduced physical, sensory or reasoning capabilities, or lack of experience and knowledge, only if they have been given supervision or instruction by a responsible person concerning use of the light in a safe way and understand the hazards involved. Cleaning and maintenance shall not be performed by children.
 4. Do not allow to be used as a toy. Close attention is necessary when the light is used near children.
 5. Ensure light is fully assembled in line with the instructions before use.

6. Suitable for indoor use only
0°C (32°F) – 40°C (104°F).
7. Use only as described in the
Dyson User manual. Do not
carry out any maintenance
other than that advised by the
Dyson Helpline.
8. If the light is not working as it
should, has received a sharp
blow, has been dropped,
damaged, left outdoors,
or dropped into water, do
not use and contact the
Dyson Helpline.
9. If a service or repair is
needed, contact the Dyson
Helpline so we can discuss
the available options. Do not
disassemble the light as
incorrect reassembly may
result in an electric shock
or fire.
10. This light is only to be used
with the power supply unit
provided with it.
11. Do not handle any part of
the light, cable or plug with
wet hands.
12. Do not use with a damaged
cable or plug. If the supply
cable is damaged it must be
replaced by Dyson, its service

agent or similarly qualified persons in order to avoid a hazard.

13. Do not stretch the cable or place the cable under strain. Keep cable away from heated surfaces.
14. Do not route the cable under furniture or appliances. Do not cover cable with throw rugs, runners or similar coverings. Arrange cable away from traffic area and where it will not be tripped over.
15. Do not unplug by pulling on the cable. To unplug, grasp the plug, not the cable. Do not use with an extension lead.
16. Turn off all controls before unplugging. Unplug from the socket when not in use for extended periods. To avoid a tripping hazard, safely coil the cable.
17. Do not use near furnaces, fireplaces, stoves or other high temperature heat sources.

18. The light source is not replaceable; when the light source reaches its end of life, the whole light shall be replaced. End of life replacement is not covered under the guarantee.
19. Do not place anything directly on the light source/lens as this can cause overheating damage and void the guarantee.

This product contains a light source of energy efficiency class G

Disposal

- Dyson products are made from high grade recyclable materials. Recycle where possible.
- Dispose in accordance with local ordinances or regulations.
- This symbol indicates that this machine should not be disposed with your general household waste. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. When this machine has reached the end of its serviceable life, please take it to a recognised WEEE (Waste Electrical and Electronic Equipment) collection facility such as your local civic amenity site for recycling. Your local authority or retailer will be able to advise you of your nearest recycling facility.

Limited 5-year guarantee

Terms and conditions of the Dyson 5-year limited guarantee

What is covered

- The repair or replacement of your Dyson light (at Dyson's discretion) if it is found to be defective due to faulty materials, workmanship or function within five years of purchase or delivery (if any part is no longer available or out of manufacture, Dyson will replace it with a functional replacement part).
- Where this light is sold outside of the EU, this guarantee will only be valid if the light is used in the country in which it was sold.
- Where this light is sold within the EU, this guarantee will only be valid (i) if the light is used in the country in which it was sold or (ii) if the light is used in Austria, Belgium, France, Germany, Ireland, Italy, Netherlands, Spain or the United Kingdom and the same model as this light is sold at the same voltage rating in the relevant country.

What is not covered

Dyson does not guarantee the repair or replacement of a light where a defect is the result of:

- Damage caused by not carrying out any recommended maintenance of the light.
- Accidental damage, faults caused by negligent use or care, misuse, neglect, carelessness, operation or handling of the light which is not in accordance with the Dyson User manual.
- Use of the light for anything other than the use it is designed for.
- Use of parts not assembled or installed in accordance with the instructions of Dyson.
- Use of parts and accessories which are not genuine Dyson components.
- Faulty installation (except where installed by Dyson).
- Repairs or alterations carried out by parties other than Dyson or its authorised agents.
- Normal wear and tear (e.g. fuse etc.).

If you are in any doubt as to what is covered by your guarantee, please contact the Dyson Helpline.

Summary of cover

- The guarantee becomes effective from the date of purchase (or the date of delivery if this is later).
- You must provide proof of (both the original and any subsequent) delivery/purchase before any work can be carried out on your Dyson light. Without this proof, any work carried out will be chargeable. Keep your receipt or delivery note.
- All work will be carried out by Dyson or its authorised agents.
- Any parts which are replaced by Dyson will become the property of Dyson.
- The repair or replacement of your Dyson light under guarantee will not extend the period of guarantee.
- The guarantee provides benefits which are additional to and do not affect your statutory rights as a consumer.

Important data protection information

You will need to provide us with basic contact information when you register your Dyson light or the Dyson Link app.

When registering via the Dyson Link app:

- You will need to provide us with basic contact information to register the Dyson Link app. This enables us to securely link your light to your instance of the app.

When registering your Dyson light:

- You will need to provide us with basic contact information to register your light and enable us to support your guarantee.
- When you register, you will have the opportunity to choose whether you would like to receive communications from us. If you opt-in to communications from Dyson, we will send you details of special offers and news of our latest innovations.
- We never sell your information to third parties and only use information that you share with us as defined by our privacy policies which are available on our website at privacy.dyson.com.
